

The New Social Savvy

The New Improved Social Savvy !

The heats where competitors show their "socially appropriate" dancing skills under "fun social dancing conditions".

Only the Amateurs will be judged, and only the Amateurs can fulfill the 'task' for each round.

Pro/Am and Am/Am will be dancing in the same heat together, so a person can only enter each of these heats once.

Entries can be either Pro/Am or Am/Am. All will be dancing in the same heat, so a person can only enter each of these heats once.

What to Expect :

There will be 6 heats with only 6 couples in each. So places are limited to - "First In, Best Dressed".

The Dance Style, Song and it's Tempo will be 'unknown' until the competitors are on the dance floor - simulating "dancing to restaurant music".

Rounds 1 - 5 : The unknown Dance Style will be one of these 6 styles : Waltz, Tango, Foxtrot, Cha Cha, Rumba, E/Swing/Jive

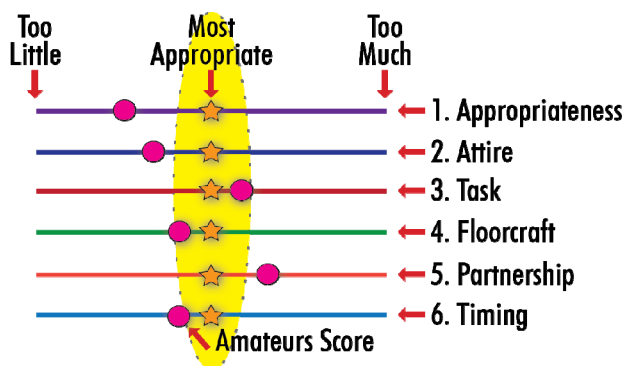

Round 6 : The unknown Dance Style will be one of these 3 styles : Bolero, Mambo or Merengue.

The heats will be in a "Restaurant Environment" on the ballroom floor.

The Amateur will be judged on an "Appropriateness Scale" for each Criteria, with the aim to be as close to "Most Appropriate" as possible for each one.

The Judging Criteria :

- 1. Appropriateness** - figures & styling befitting the restaurant environment.
- 2. Attire** - appropriate social dancing "Restaurant Dress Code" eg: No shoes, No shirt, No service.
- 3. Execution of the Task** - Complete a fun "Restaurant Themed" task WHILST dancing, and do it with personal flair.
- 4. Floorcraft** - Maintain appropriate floorcraft around the obstacle course of the Restaurant.
- 5. Partnership** - Maintain correct lead & follow during all other aspects : the task, the environment, etc.
- 6. Timing** - Maintain correct timing during all other aspects : the task, the environment, etc.

Each competitor/couple will receive a certificate with their scale results.

The competitor with all their results closest to "Most Appropriate" for each Round, will be a "Social Savvy Champion 2020".

2. An Amateur Couples Entry Form. Fill out 1 Amateur Couples Form for each different couple.
3. Each individual competitor and teacher can enter only 6 times maximum, once per heat, as either a Pro/Am or Am/Am competitor, not both.
